Subj: Status Report on Reinvest Maryland Revision Activities

Date: May 16, 2017

The Reinvest Maryland Workgroup has met biweekly since the last Sustainable Growth Commission in March to review the comments received on the original Reinvest Maryland chapters and to revise it into a "2.0" "toolkit" version.

The workgroup met on March 30, April 3, April 17 and May 1. During these meetings, the group discussed the recommendations in detail. Michael Bayer of staff and Jessica Zuniga, the workgroup chair, are leading the rewrite process, and will work with workgroup members and other experts to compile the new version of the document.

The workgroup has reviewed similar planning "toolkit" documents as possible design templates for Reinvest Maryland 2.0 and will present a mock-up of this template to the Commission for its review.

Staff is developing a detailed timeline for the completion of the document.
